Total CME Hours: 6.25 Hours of Lectures and Instructions.

TOTAL CME HOURS: 6.25 HOURS OF LECTURES AND INSTRUCTIONS.

OVERVIEW

This course was designed to provide podiatrists and general practitioners with a better understanding of PVD diagnosis and treatment, with specific focus on superficial venous insufficiency, vascular testing models, PAD, PVD, critical limb ischemia and osteomyelitis.

TEACHING METHODS

The teaching method for this activity will be lectures and interactive case study review.

LEARNING OBJECTIVES

Upon completion of this educational activity, participants will be able to:

- Describe diagnosis of peripheral vascular disease.
- Discuss treatment options for peripheral vascular disease.
- Apply the latest advancements in vascular imaging into the clinical treatment of patients.

REGISTRATIONS/CANCELLATIONS

There is no tuition for this course. Registration is on a first come, first served basis. You may register via fax, phone, online or email; the information is listed on the registration sheet within this brochure. If you are not able to attend after your registration has been confirmed, please call us at (609) 653-6708 to notify us so that we may accommodate another applicant in a timely fashion. If you have any questions, please call (609) 653-6708 or email mdarcangelo@atlanticmedicalimaging.com
